### • Experience

March 2020 - Present

#### **Numerade - Product Designer**

Web Design, IOS Design.

Sole Product Designer working on the Numerade website and IOS app.

May 2019 - March 2020

#### **Intersect LA, CSUN - Design Lead/UX Designer**

Worked on multiple projects for clients individually and in teams.

Created presentations and produced design comps along with team members.

UX Researcher for LatinX 21, a video sharing platform.

May 2019 - March 2020

#### **Impact Design Hub - UX/UI Designer and Project Manager**

I Worked on a project for nonprofit community clients. As UX/UI Designer I did research, concept development, wireframing, prototyping and building of the application. As Project Manager I reported on progress of the project, reminded and solicited all content and design submissions from clients and designers.

May 2019

#### **Teach Access, Silicon Valley - CSUN Representative**

Worked on an accessibility project for people with memory loss in a group.

As the UX/UI Designer I did research, concept development, wireframing, prototyping and building of the application and case study. Presented to User Experience and User Interaction experts from companies such as Google, Verizon Media, Facebook, Microsoft, Apple and Intuit.

March 2019 - May 2019

#### **MIND Product Design Mentorship Program - Student**

Worked on the wireframing, concept development and design of a UX/UI project which was developed into a prototype. During the program, I had Mentorship from Product Designers at Verizon Media.

February 2019 - January 2020

#### **Student Advertisement & Graphics Association - Vice President**

As Vice President of SAGA, I co-ordinate events, organize guest speakers, recruit new members, promote the organization and collaborate with other campus clubs.
